E-Mail: contact@maul.de

Please note the technical data of the products!

Article Numbers: 165533, 165532

Safety Instructions:

- Do not leave the product energised to avoid the risk of electric shock.
- Check the mains cable and connections regularly for damage.
- During installation, ensure that the fixings are stable to minimise the risk of falling.
- If the product is not installed correctly, it could fall and cause injury.
- Smaller parts must be stored out of the reach of children to avoid the risk of suffocation.
- Use only with approved projectors and projector care products.
- Suitable for use with projectors, but only attach to stable surfaces.
- Not suitable for writing with permanent markers, as the surface can be damaged.
- The product must not come into contact with harsh cleaning agents, as this can damage the surface.
- There are no small parts, but the seams and magnetic holders should be checked regularly.
