Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed and there is a choking hazard.
- Avoid contact with extreme temperatures above +60 °C or below -10 °C, as material deformation is possible. Check suitability against heat deformation.
- Do not bring near fire or store at high temperatures to prevent the risk of damage from heat.
- Before use, ensure that the clamps are properly closed to prevent loss of documents.
- Keep out of the reach of children to minimise the risk of damage.
- Improper handling could damage the product due to overloading.
- Do not use aggressive chemicals for cleaning, as this could damage the material.
- Protect from moisture, even if the product is not sensitive to water.
