Safety Instructions:

- The product is not suitable for children under 3 years of age as there is a risk of suffocation from small parts. Keep it out of the reach of small children, as it can cause damage if children handle it incorrectly.
- Keep the product away from moisture, direct sunlight and high temperatures to avoid material failure, distortion or melting of the material. It is highly flammable, so keep away from naked flames and heat sources.
- Ensure that the folder does not come into contact with sharp or pointed objects and that it is checked regularly for damage. Damaged protective caps should be replaced, as the product can cause damage if used improperly.
- Keep the product dry and clean, store it on a clean, dry surface and use mild detergents to avoid contamination. Do not use aggressive chemicals.
- Do not use as a toy; the folders are intended for organising documents. Observe recycling instructions as the product is made of PP (polypropylene).
