Please note the technical data of the products!

Article Numbers: 184946, 184945, 184944, 184943, 184942

Safety Instructions:

- Do not store near fire or high temperatures as the material may be flammable and to avoid deformation.
- Do not overload or overload the project folder to prevent damage and possible hazards.
- After use, store in a dry place to prevent mould growth and protect the material.
- Not suitable for children under 3 years of age as small parts can be swallowed and should be kept out of reach of children to avoid the risk of choking.
- Keep away from moisture, extreme temperatures and direct sunlight to protect the material.
- Make sure that there are no sharp objects in the vicinity during use to avoid damage.
- Please use the project folder only for its intended purpose to ensure its functionality and safety.
