Article Numbers: 194255, 194254, 194253, 194250, 194249, 194248, 194245, 194244, 194243

Safety Instructions:

- Maximum load per shelf: 50 kg. Do not exceed this to avoid damage.
- Place the cabinet on a stable and level surface to prevent it from tipping over.
- During assembly: Assemble all parts correctly, watch out for sharp edges to avoid the risk of cuts.
- Only use the keys supplied for the hook bolt lock to prevent damage and unauthorised access.
- Use the roller shutter door with care: Do not trap any body parts.
- Do not use the cupboard as a ladder or step.
- Keep cupboard away from children under 3 years of age, small parts could be swallowed.
- Keep the cabinet away from moisture and aggressive cleaning agents to prevent corrosion.
- The product may only be moved by at least two people during transport.
- Regular inspection of locks and materials to detect wear and tear and ensure functionality.
- Keep safety information in a safe place and observe it.
