Safety Instructions:

- Avoid attaching to walls or surfaces that are not suitable for self-adhesive products.
- Ensure that the product is only used on the specified surfaces such as tiles, glass or wood.
- Do not exceed the maximum load of 3 kg to avoid structural damage or accidents.
- Do not use on damp or wet surfaces as this may impair adhesion.
- Do not install the product near heat sources.
- Make sure that the surface is clean and dry before application.
- When using in the bathroom, follow the recommendations for correct installation and removal.
