Safety Instructions:

- Observe the maximum surface load of 1250 kg.
- Only use drawers up to the specified load capacity of 100 kg. Load drawers evenly to prevent them from tipping over.
- Only operate the central locking system with the keys provided. Prevent access by unauthorised persons.
- Not suitable for use by children under 3 years of age.
- Observe additional safety instructions and instructions for safe use in the packaging.
- Warning of possible risk of injury from the heavy drawers. Take care when using drawers with a maximum load capacity of 100 kg.
- Suitable for use in commercial environments.
- Before assembly, ensure that the workbench is on level ground to prevent it from tipping over and set it up securely to prevent wobbling and instability.
