Article Number: 143827

Safety Instructions:

- This product can be loaded up to 110 kg. Make sure that this weight is not exceeded.
- The recommended sitting time is up to 8 hours. Excessive sitting can pose health risks.
- The chair has moving parts (synchronised mechanism). Make sure that no body parts are trapped.
- The three-dimensional adjustability of the armrests must be taken into account for safe use.
- The safety lift function should be checked regularly to ensure safe height adjustment.
- Semi-annual inspections can be recommended to guarantee the safety of the mechanical parts.
