### Safety Instructions:

- Make sure that the add-on element is mounted stably to ensure a stable construction.
- Only use the add-on element for its intended purpose and avoid cuts or other restrictions in use.
- Keep the add-on element away from sources of fire, as it is made of chipboard, and avoid placing it near water or damp environments.
- Carry out regular checks to ensure that there is no damage.
- Please note that the shelf may tip over if used incorrectly. Avoid overloading with heavy objects.
- The product is not intended for use by children, but may be attractive to children. Therefore, use and store it properly and ensure that children do not use it while they are unsupervised.
- Do not use the product as a toy, store smaller parts safely.
- Before installing the attachment element, the instructions should be read carefully and followed to minimise the risk of injury or damage.
- The add-on element can be heavy; it is advisable to lift it with at least two people to avoid injury.
- It is recommended to keep sharp objects away from the surface to avoid scratches or damage.
