Please note the technical data of the products!

**Article Number:** 175843

### Safety Instructions:

- Set up securely and ensure that access to the defibrillator is guaranteed at all times.
- Before installation, check the wall stability to take the weight of the wall box into account.
- Only use the audible alarm in an emergency to avoid confusion.
- Attach a clearly visible location sticker so that the device can be found quickly in an emergency.
- In the event of malfunctions or damage to the wall box, contact the manufacturer immediately.
- Regularly check that the alarm system is clean and working properly.
