Safety Instructions:

- Risk of electric shock due to improper handling of the USB port or improper handling. Do not use the lamp with a defective USB socket or cable.
- Beware of overheating during heavy use. The light must not be covered to avoid overheating. Ensure that the USB charger is properly connected to prevent overheating.
- Do not use if the cable is damaged.
- Take care when adjusting the height to avoid injury.
- This luminaire contains built-in LED lamps that cannot be replaced. In the event of a defect, the entire luminaire or the lamp should be replaced after the life cycle.
- Ensure that the lamp is not used near water to avoid the risk of electric shock.
- The lamp is not intended for use by children; ensure that it is used out of their reach. Small parts can be swallowed; not suitable for children under 3 years of age.
- Disconnect the appliance from the power supply before cleaning.
