Safety Instructions:

- The laptop bag is not suitable for children as it contains small parts that could pose a choking hazard.
- Avoid using the laptop bag near water to prevent damage to the electrical devices.
- The bag is made of hard-wearing polyester; make sure that no sharp objects press on it to avoid damage.
- Please check the condition of the seams and zips regularly to ensure safe use.
- If the products are lost or damaged, notify the manufacturer immediately.
