Safety Instructions:

- Use only for the intended purpose (storage and returnable transport logistics).
- Handle with care when stacking to avoid tipping over. To minimise the risk of injury when stacking, ensure that the box is placed on a stable base.
- Protect from excessive weight loads (individual load capacity: 25 kg, stacking load capacity: 100 kg). Do not load above the recommended weight of 25 kg per unit.
- Keep the product away from naked flames and other heat sources. Keep the folding box away from naked flames or extreme temperatures. Avoid use in areas with high temperatures.
- Not suitable for the transport of foodstuffs unless the product is expressly labelled for this purpose.
- Age warning: Do not use for children under 3 years of age due to the risk of choking on small parts.
- Observe ergonomic interventions to prevent injuries during transport. The folding box can be damaged if handled incorrectly.
