**E-Mail:** info@faltbox.de

Please note the technical data of the products!

**Article Numbers:** 135409, 135408

### **Safety Instructions:**

- Before use, ensure that the folding box is in good condition and has no cracks or damage.
- Do not exceed the maximum load of 450 kg to avoid structural damage.
- Do not exceed the stacking load of 150 kg to prevent toppling.
- Do not use the box beyond its intended use and store it safely.
- When cleaning, do not use any harsh cleaning agents that could damage the material.
- During transport, ensure that the box is securely fastened to prevent it from slipping.
- Caution when stacking: The folding box does not have a lid and should therefore be stacked with care to prevent it from slipping or tipping over.
- Small children should be kept away from the appliance to avoid the risk of choking due to possible entrapment.
- Be careful when using the container on uneven or slippery surfaces to avoid falls.
- Check for cleanliness and integrity before use to avoid unnecessary health risks.
