Safety Instructions:

- Caution: Small parts could choke if used improperly. Not suitable for children under 3 years of age.
- The product may be attractive to children and should therefore be kept out of their reach.
- Avoid excessive pressure on the compartments to prevent damage. Avoid compressing the folder too much, as this could damage the structure and lead to premature wear.
- Please note that the document folder is made of cardboard, which can tear if not handled properly, which could lead to cuts.
- Avoid contact with water and moisture, as the product may be damaged. Keep the document folder away from moisture to prevent damage to the cardboard box.
- Storage instructions: Keep the product dry and out of direct sunlight to prevent damage to the material. Protect from direct sunlight to avoid colour fading.
- Do not store near fire or high temperatures to avoid a possible fire hazard.
- Packaging instructions: To avoid injury, do not use sharp objects to open the product.
- The folder should not be used for applications that require special stability or chemical resistance.
- No risk of electric shock for improper handling.
- Safe handling to prevent documents from falling out.
