Article Numbers: 300755, 300754, 300753, 300752, 300751, 300750, 300749

Safety Instructions:

- The folder is not suitable for children under 3 years of age, as it may contain small parts that pose a choking hazard.
- Keep the folder out of the reach of small children and take care not to include any small objects that could cause a choking hazard.
- Avoid using the folder near water, moisture or extreme conditions to prevent material damage.
- Take care not to expose the folder to temperatures above 70 °C or fire in order to avoid material and fire damage.
- Regularly check the integrity of the folder and the elasticated straps to avoid the risk of wear and tear.
- For safe use, the folder should not be overloaded to prevent it from tearing or collapsing.
- The product should not be brought into contact with food in order to avoid contamination.
- Improper handling may result in injuries caused by the elastic band or damage to the folder.
- Sharp edges and other hazards are not known, but the folder can be fragile if used improperly.
