Safety Instructions:

- Avoid overloading the shelves, the maximum load per shelf is 50 kg.
- Ensure correct use and regular maintenance of the rotary bolt lock to prevent accidental opening and unauthorised access.
- Keep storage organised and ensure that the cabinet is stable and flat to prevent tipping.
- The height of the shelves can be adjusted in increments of 46 mm.
- Use only by adults or under adult supervision; keep the product out of the reach of children.
- Avoid risk of injury due to improper use of the hinged doors; pay attention when opening them.
- Risk of suffocation due to improper use of suspension file folders.
- Check regularly for damage to rule out safety risks.
- Take extra care with heavy and sharp objects; do not place any objects on top of the cabinet.
- Cabinet should be fixed to the wall if required.
