Article Numbers: 310951, 310950

Safety Instructions:

- Set up securely to prevent tipping over.
- Do not exceed the maximum load of 35 kg per shelf to avoid structural damage.
- During assembly, ensure the stability of the cabinet and follow the instructions carefully to avoid injury.
- Lock the cabinet with a rotary bolt lock to prevent unauthorised access.
- Keep out of the reach of children to minimise the risk of injury or danger due to improper use.
- Do not place near heat sources to prevent damage to the material.
- Check the cabinet regularly for stability and safe condition.
