Please note the technical data of the products!

Article Number: 310938

Safety Instructions:

- The product is heavy (66.3 kg). Suitable lifting techniques must be used when handling the product.
- The glass doors can break. The user should be careful to avoid injury.
- The lock should always be kept closed to prevent unauthorised access to medicines and chemicals.
- The shelves are height-adjustable; make sure to adjust them correctly to avoid overloading and thus a possible fall.
- The product must only be used for its intended purpose; improper use can lead to hazards.
