Safety Instructions:

- Secure the locker column against tipping over and ensure that it is mounted stably to prevent it from tipping over or wobbling.
- Store securely with the cylinder lock and keys to prevent unauthorised access and contact the manufacturer if the lock is damaged.
- Be careful of sharp edges when opening the doors and the risk of crushing when opening the hinged doors to avoid injury.
- Only allow children to use the lockers under supervision to avoid accidents.
- Do not overload the product or use it for purposes for which it is not intended, in particular do not climb on it or use it above the maximum installation height.
- Protect the locker column from water and other aggressive chemicals to prevent corrosion and other damage.
