Safety Instructions:

- Ensure that the table is placed on a stable and level surface to prevent it from tipping over (use floor levelling screws on uneven surfaces if necessary).
- Ensure that all flaps and locks are properly secured before use and are regularly checked for wear and damage.
- Avoid excessive weight on the table top and heavy loads to prevent damage and overloading of the table.
- The table should not be used for sitting or standing to avoid falls and injuries.
- Make sure that the table has no sharp edges to prevent injuries and ensure that the folding mechanism is operated safely to prevent crushing hazards.
- The table is not suitable for children and should only be used under adult supervision.
- Ensure that the table is kept away from hot objects and liquids to prevent damage.
- Provide clear instructions for safe assembly, disassembly and folding mechanism operation to avoid injury.
