Safety Instructions:

- Ensure correct installation of the partition walls and plug-in walls to prevent them from tipping over or falling out.
- Metal parts may have sharp edges. Beware of possible injuries.
- Only use partitions for their intended purpose to ensure safe operation.
- Keep the product out of the reach of children to avoid the risk of injury.
- Do not use the product in damp or wet environments to avoid rust formation.
- Caution: Small parts can be a choking hazard for small children.
- Do not bring into direct contact with water to avoid rust formation.
- Suitable for commercial use. Do not use for domestic purposes.
- Ensure that the partitions are securely fastened to prevent accidents.
