Please note the technical data of the products!

Article Number: 155984

Safety Instructions:

- Ensure that the shelf is correctly installed in the box-type workbenches, system workbenches or drawer cabinets to prevent injuries from tipping over.
- Only use for the intended maximum load capacity of 80 kg to avoid overloading and potential risk of breakage.
- Wear suitable personal protective equipment (e.g. gloves) when installing and handling the shelf.
- Check the shelf regularly for damage or wear to avoid hazards.
- Store and transport the product in accordance with the manufacturer's instructions to prevent damage.
