Please note the technical data of the products!

Article Number: 300775

Safety Instructions:

- Batteries must not get into the hands of children, as they can pose a choking hazard due to small parts.
- Do not short-circuit or throw into a fire as this may cause an explosion or fire.
- Batteries must be disposed of in an environmentally friendly manner. Please observe the local regulations for the disposal of electrical and electronic equipment.
- Use batteries at extreme temperatures from +60°C to -40°C to ensure performance.
- Use in appliances not intended for this purpose can lead to hazards.
- Avoid contact with sharp objects and liquids to prevent short circuits.
