### Safety Instructions:

- Choking hazard due to small parts if detachable accessories are present. Not suitable for children under 3 years of age.
- Risk of injury due to improper use of the 360-degree swivelling function. Ensure that there are no people or objects in the vicinity.
- Ensure that all moving parts are regularly checked for stability.
- Avoidance of tripping hazards due to improper positioning in the room.
- Make sure that the castor wheels are operated and always locked when moving the whiteboard to prevent it from rolling away uncontrollably.
- Do not use the whiteboard overhead or in unfavourable weather conditions to avoid falls or injuries. Ensure that the whiteboard is stable before using it.
- Only use suitable whiteboard markers to avoid damaging the surface, to facilitate cleaning and in accordance with the manufacturer's instructions. Aggressive cleaning agents should not be used.
- Keep the product away from water to prevent damage to the electrical components. Water can also damage the surface.
- Please note that the product is not a toy and should only be used under adult supervision.
