Safety Instructions:

- Children must be supervised when using the appliance as it has sharp edges.
- Not suitable for children under 3 years of age due to choking hazard with small parts.
- Please ensure that the hole punch is only used for its intended purpose to avoid injury.
- The appliance should always be used on stable surfaces to prevent it from slipping.
- Never bring hands or other parts of the body into the area of the hole punch while it is in operation.
- Check the appliance regularly for damage to ensure safety.
- Ensure that all parts of the appliance are properly assembled before using it.
- Avoid falling below the maximum capacity of 30 sheets to prevent damage to the device.
- Wear gloves to avoid injury from opening the emptying plate.
