Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that can be swallowed. Should be used under adult supervision.
- Improper handling or use can result in injuries to the fingers; ensure that no parts of the body, especially fingers, come into contact with the hole punching or stapling mechanism.
- The device is not suitable for stapling materials that overheat or burn on contact with the staple.
- Before use, ensure that the staples are inserted correctly.
- Only use the appliance as described in the operating instructions.
- Ensure that the product is checked regularly for damage or defects.
