**Article Number:** 136204

### **Safety Instructions:**

- Ensure that no sharp or pointed objects can protrude from the open-fronted storage box.
- Avoid overloading the open-fronted storage bins above the specified load capacity of 20 kg.
- When using additional accessories such as support rods or combination discs, follow the manufacturer's instructions.
- The open-fronted storage bins should always be placed on stable surfaces to prevent them from tipping over.
- Observe the temperature limits (-20°C to +100°C) when storing and using the boxes.
- Ensure that children are not left alone with the product to avoid the risk of injury.
