Article Numbers: 136201, 136200, 136199, 136198, 136197, 136196, 136195, 136194

Safety Instructions:

- Risk of injury due to improper use of the doors; ensure that the doors and compartments are properly closed.
- Take care to protect small parts from children to avoid choking hazards; safety cylinder lock contains small parts that may pose a choking hazard.
- The security cylinder lock is lockable; keys should be kept in a safe place.
- The use of a security cylinder lock protects your personal belongings from unauthorised access.
- Place the space-saving wardrobe on a stable, level surface to prevent it from tipping over; check its stability regularly.
- Do not overload to ensure stability; avoid overloading the clothes rails.
- Not suitable for children; supervision recommended.
- Risk of injury from sharp edges or corners; regularly check double bevelling for damage.
- Use only for its intended purpose to avoid injury; anchor properly during assembly and use.
- The product is not suitable for outdoor use.
- Regular maintenance and inspection of the compartments and locks to ensure functionality.
- When cleaning, use suitable agents to protect the material; clean regularly to maintain hygiene and safety.
- Keep the ventilation openings in the rear wall clear to prevent mould growth.
- The space-saving wardrobe should not be installed near heat sources.
