Safety Instructions:

- Not suitable for use by children under 3 years of age due to the risk of choking on small parts.
- Take appropriate care when stacking the chairs to avoid tipping or collisions. When stacking more than six chairs, there is a risk of the stacks tipping or falling.
- When using on sensitive floors, special plastic glides should be used to prevent damage.
- Observe the maximum load of 110 kg to avoid injury or damage to the chair.
- To avoid injury from the edges of the chrome-plated frame, please note that there may be sharp edges.
- Make sure that the chair is placed on a stable surface to prevent it from tipping over.
- The chair is not suitable for use by children without supervision.
- Check the stability of the chair before use.
- Suitable for indoor and outdoor use, but ensure protection from the weather.
