Safety Instructions:

- Caution! The label printer should be used under adult supervision.
- Avoid contact with water to prevent electric shock.
- Ensure that the appliance is properly connected to a power source to prevent overheating.
- Smallest parts can be swallowed; supervision required during use.
- Only use the recommended label rolls (e.g. DK-22251) for the red/black print function.
- Keep the appliance and the labels out of the reach of children.
- Read the operating instructions carefully before commissioning.
