Article Numbers: 135467, 135465, 135464, 135453

Safety Instructions:

- Please ensure that the lid is correctly positioned on the container to avoid leakage of ingredients.
- Avoid touching the lid with sharp or pointed objects so as not to damage it.
- The lid should not be placed near open flames or heat sources to avoid deformation.
- The temperature resistance of the product is -50 to +105 degrees Celsius. Do not use outside this range.
- The product is suitable for contact with food, but check for HACCP conformity.
- Keep away from children to avoid the risk of choking on small parts.
- Do not expose to direct sunlight or extreme situations.
- Use only for the intended purpose.
- Observe the local regulations for plastic products during disposal.
