Safety Instructions:

- Caution: Contains small parts that could pose a choking hazard for small children.
- Please do not apply excessive loads to avoid damage.
- Avoid sharp objects that could damage the material of the wastepaper basket.
- Make sure that the colour of the stickers is applied correctly by the users to avoid confusion when separating waste.
- Ensure that the inner bins are securely and correctly inserted to prevent waste from leaking.
- Avoid overloading the waste bin to prevent it from tipping over.
- The use of waste bags is recommended to facilitate disposal.
- Keep the waste bin away from naked flames or heat-generating appliances to avoid the risk of fire.
- Make sure that the waste bin is placed in a stable and safe area to prevent falls.
