Article Number: 135445

Safety Instructions:

- Additional safety warnings are required as the product is designed for outdoor use and weather-related damage may occur.
- Ensure that the ash drawer and waste bin are securely closed to prevent hazardous materials from leaking or falling back into the outdoor area.
- The stainless steel lock must not be damaged, as this could lead to unauthorised access to the waste and ash area.
- Appropriate safety precautions should be taken when installing and emptying the product to avoid injury.
- It is recommended to check the product regularly for damage to ensure safety.
