Article Numbers: 193875, 193874, 193873, 193872, 193871, 193870

Safety Instructions:

- Flame retardant according to DIN 4102 B1. Protection against fire hazard, keep away from sources of fire.
- Not suitable for children under 3 years of age; choking hazard due to small parts. Keep away from children as the product is not designed as a toy.
- Avoid direct sunlight to prevent colour changes.
- When installing, use UV-resistant dowels and suitable mounting aids to prevent them from falling.
- Protect the product from direct exposure to water or moisture. Avoid damage caused by moisture.
- Only use dry or slightly damp cloths for cleaning; do not use aggressive chemical cleaners so as not to impair the acoustic properties.
- Fastening mechanisms must be installed correctly to prevent falling. If not installed correctly, the wall absorber may fall down and cause injury.
- Do not place the product near sources of heat or naked flames. Not suitable for use in areas with open flames or extremely high temperatures.
- Intended for indoor use only.
- Do not use if damaged and dispose of immediately.
- Before using in heavily frequented public areas, check the material compatibility.
- The stability of the wall must be checked when installing larger quantities.
- Take care when handling sharp edge elements during assembly.
