Safety Instructions:

- Read the operating instructions before use.
- Only use the product on stable, level surfaces to avoid tipping.
- When adjusting the height, ensure that no fingers are trapped.
- Adjust the table height ergonomically to avoid health problems.
- Avoid excessive force and overloading to prevent damage.
- Not suitable for children under 14 years, keep small children away.
- Do not bring food into direct contact with the tabletop unless it is intended for this purpose.
- Protect the table top from external influences, especially during assembly work.
- We recommend wearing rubber shoes to protect the floor covering.
- Avoid placing heavy objects on the edge to prevent them from tipping over.
- Ensure that all screws and connections are tight.
- Adjust the height safely and without force.
- Only use chemicals and moist materials with a suitable table top.
- Only use the table for its intended purpose to avoid damage.
- Ensure sufficient space for freedom of movement.
- Supervise children and do not allow them to play with the table.
- Avoid using chemical cleaners on unsuitable surfaces.
- Take suitable protective measures during intensive mechanical work.
- Check regularly for component safety and condition of use.
- Caution with electrical appliances; note the risk of electric shock.
- Do not use the product as a ladder.
- Table is not suitable for humid environments except with appropriate table tops.
- Mount and install all accessories correctly.
- Do not exceed the maximum load to ensure stability.
- Keep the surface clean to avoid the risk of slipping.
- Be aware of the danger of improper height adjustment.
- Ensure that the table is properly mounted to prevent it from tipping over.
- Avoid sharp edges to prevent injuries.
- Protect the table from heat sources and sunlight to prevent material changes.
- Attached for commercial use, use only for intended purposes.
- Check compatibility and safety requirements for accessories.
- Recycle packaging materials locally.
- Care for the table top and use it carefully if there is a risk of abrasion.
- Supervise children when using the table.
