### Safety Instructions:

- Only suitable for indoor use. Only use the clock indoors to avoid damage caused by the weather. The product is not suitable for outdoor use and should not be exposed to extreme temperatures or moisture.
- Insert the battery carefully according to manufacturer instructions to avoid overheating or leakage.
- Protect from direct sunlight and extreme temperature fluctuations.
- The watch is not water-resistant; avoid contact with water.
- Ensure that the attachment to the wall is secure to minimise the risk of falling.
- Choking hazard due to small parts that can be swallowed if handled incorrectly.
- Battery instructions: Ensure that the battery is not opened or damaged in order to avoid any danger from leaking chemicals.
