Article Numbers: 164937, 164934, 164931, 164930, 164929

Safety Instructions:

- Do not use for painting on the skin.
- Keep away from children, as parts of the pens could be swallowed, posing a choking hazard.
- Keep out of reach of children.
- In case of irritation from ink or ingestion, seek medical attention immediately.
- The ink is alcohol-based; avoid skin contact and do not inhale vapours.
- Ensure good ventilation when used in closed rooms.
- Close the pens tightly after use to prevent the ink from drying out.
- Before use, ensure that the ink does not get into the eyes.
- Do not use on or near food.
- Do not use the pens in or near open flames.
- Ensure that the cap is firmly seated on the pen to prevent it from drying out.
- Not suitable for sensitive surfaces.
