Safety Instructions:

- May contain small parts that could pose a choking hazard to children under 3 years of age.
- Not suitable for children under 3 years as it may contain small parts.
- The product is not suitable for contact with food.
- Not suitable for children under 3 years of age as there is a risk of choking on small parts.
- Due to the nature of the paper, there may be a risk of skin irritation if used over a long period of time. If skin reactions occur, consult a doctor immediately.
- Please notify the relevant authorities in the event of a recall.
- Do not use for labelling foodstuffs to avoid confusion.
- Keep the desk pad away from water and moisture to prevent damage.
- Make sure that the base is placed on a stable, horizontal surface to prevent it from tipping over.
- The use of the desk pad should not lead to distraction in road traffic or when operating machinery.
- Only use the desk pad in the intended frame; avoid excessive pressure on the paper to prevent tearing.
- Keep the writing pad dry and away from direct heat sources to preserve the quality of the paper.
- Storage away from moisture and direct sunlight is recommended.
- Provide documentation on correct use and care.
- Ensure that there are no sharp edges to prevent injuries.
- The product should not be used as a toy.
