Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Avoid direct contact with water or other liquids to prevent damage to the product. Please remove the filter immediately in the event of heavy contact with liquids, as it could be damaged.
- Do not use the product in direct sunlight to avoid overheating and damage.
- The product is not suitable for children as it does not contain particularly robust materials. Keep it out of the reach of children to avoid injury.
- Do not make any unauthorised modifications to the product as this could compromise safety.
- Clean the privacy filter regularly to avoid fingerprints, dust, glare and obstructed vision. Avoid harsh cleaning agents that could damage the product. Take care not to scratch the display when attaching and removing the filter.
- Make sure that the privacy filter is fitted correctly to ensure optimum visibility.
- Only use the privacy filter on devices used for monitors.
