Safety Instructions:

- The maximum load capacity is 15 kg. Do not overload or exceed the recommended maximum load as this can lead to damage or tipping over.
- Remove the product from the bike rack in heavy weather (e.g. storms) and ensure that it is properly secured to ensure stability.
- The box should never be overheated or exposed to direct sunlight to avoid deformation. Do not store at extreme temperatures as this may affect the stability of the product.
- Use mild detergents for cleaning, as strong chemicals could damage the material. Please follow the care instructions for a longer product life.
- Not suitable for children under 3 years due to choking hazard from small parts.
- The product is only designed for the transport of foodstuffs weighing up to 15 kg.
