Article Numbers: 136311, 136310, 136309, 136308, 136307, 136306, 136305, 136304

Safety Instructions:

- Check the stability of the container before use and ensure that it is placed on a stable and level surface to prevent tipping or overflowing.
- Ensure that the lid closes properly and completely to prevent the risk of unauthorised access, odours and pests.
- The waste bin should be emptied regularly to prevent overfilling and instability.
- Keep the waste bin in an area that is inaccessible to children to avoid injury.
- Only use the waste bin for solid and designated waste, not for liquids or flammable materials, in order to fulfil safety standards and avoid the risk of fire.
- Keep the waste bin away from naked flames and heat sources to minimise the risk of fire.
- Regularly check that the rubber base is intact and the general condition of the container to prevent damage to the base and discontinue use if damaged.
- Follow the local regulations for the disposal of waste and ensure that it is disposed of in an environmentally friendly manner.
- Use the self-extinguishing lid and the container in accordance with the manufacturer's instructions for maximum safety.
- Avoid direct sunlight on the waste bin to prevent material deterioration.
- Use the colour-coded lids for waste separation.
