Safety Instructions:

- Ensure that the waste bin is placed on a stable, level surface to prevent it from tipping over and the rubber wheels from slipping.
- Avoid using the waste container for hazardous waste so as not to contravene legal requirements.
- Keep waste containers away from heat sources and direct sunlight to prevent material changes.
- Empty the container regularly to avoid unpleasant odours.
- Operate the foot pedal with cautious foot force to avoid injuries and the risk of crushing.
- Take care when handling the waste bin, especially where there are sharp edges, to prevent injury.
- Do not overload to prevent the waste bin from tipping over.
- Clean waste bins regularly to avoid hygiene problems.
