**E-Mail:** verkauf@krieg-online.de

Please note the technical data of the products!

**Article Numbers:** 400749, 400748, 400747, 400746, 400745, 400744, 400743, 400742, 400741, 400740, 400739, 400738, 400737, 400736, 400735, 400734, 400733, 400732, 400731, 400730

### Safety Instructions:

- Maximum load per drawer: 35 kg to prevent overloading and damage.
- Use individual pull-out stops to prevent several drawers from opening at the same time and to minimise the risk of crushing.
- Use the cylinder lock to prevent unauthorised access and theft of tools and small parts.
- Drawer bases should be set up stably to prevent them from tipping over.
- Only adults should operate the drawers in order to minimise injuries caused by improper use.
- Keep the product out of the reach of children to avoid injury.
- Before use, make sure that the substructure is properly installed and that the instructions for use have been read.
- Treat powder-coated surfaces with mild cleaning agents to prevent damage.
- Product is intended for commercial use; do not use for children or in private areas without supervision.
- Regularly check the mechanical integrity and safety devices.
- Do not overload the product and use it on a stable, level surface to prevent it from tipping over.
