Safety Instructions:

- Ensure that the presenter board is placed on a stable and level surface to prevent it from tipping over.
- Activate the lockable castors before use to ensure stability during use. Check the locking mechanisms of the castors regularly.
- The board should be used under adult supervision, especially in the presence of children. The board is not suitable for children under the age of 3 to avoid the risk of choking on small parts.
- Avoid attaching heavy or excessive loads to the board that could affect the balance.
- When installing the panel, use the instructions and accessories supplied to ensure correct and safe installation.
- Make sure you use the board in a safe area to prevent falls and injuries.
- Use the panel in accordance with the instructions to avoid injury due to improper handling.
