Safety Instructions:

- Ensure that the locker is stable and securely mounted to prevent it from tipping over.
- Open the doors slowly and carefully and do not overload them to prevent them from tipping over and causing injury.
- In the event of sharp edges, take protective measures if necessary to avoid injury.
- The clothes locker is suitable for use in a commercial environment, but is not designed for home use or for children.
- Do not use for standing or sitting on the doors.
- Provide adequate ventilation and ensure that ventilation slots are not blocked to prevent moisture build-up.
- Avoid use in damp or wet environments to prevent rust formation and corrosion.
- Keep the door closed and avoid sharp edges or corners to prevent injury.
- Use labels for labelling property or content.
- If available, keep the keys for the cylinder lock in a safe place and follow the handling instructions to prevent damage.
- Ensure that the product is only used in accordance with the intended instructions.
- Risk of suffocation due to improper use of small parts or hooks.
