Safety Instructions:

- Ensure that the use of the spindle does not present any hazards and carry out regular checks for wear and damage.
- Inform users about the proper use of the product and provide instructions for safe use.
- Take care when storing heavy objects in the locker to avoid direct hazards or tipping over.
- Follow guidelines for the safe closing of doors and ensure that all doors close properly to minimise crushing and mechanical damage.
- Watch out for sharp edges and corners to avoid injuries such as cuts.
- The product must be placed on a level surface to avoid the risk of tipping. Ensure that the locker is placed on a level surface.
- Use only for its intended purpose as a clothes locker. Only use the locker for its intended purpose and avoid overloading.
- Contact the manufacturer if the locker is damaged or malfunctions.
- Ensure that the clothes spinner is used under adult supervision to minimise the risk of injury.
- Use the twist lock correctly to secure personal belongings.
- Maintenance of the locker is important, especially checking the safety of doors and hinges regularly.
- Children should not be left unattended in the vicinity of the Spindles, as the construction may harbour dangers.
- Avoid moisture and sharp objects to prevent corrosion or damage.
- Ensure that the clothes locker is stable and cannot tip over.
- The powder coating should be safe and free from harmful substances.
- Only use suitable locks and keys to prevent unauthorised access.
