Safety Instructions:

- Ensure that the product or clothes locker is stable and securely placed on a stable surface to prevent it from tipping over.
- If not installed correctly, the clothes locker may fall over and cause injury.
- Do not use the product as a toy; recommended for use by adults or adolescents, not suitable for small children.
- Sharp edges or pointed parts can cause injuries; be careful when handling and ensure that none are present.
- When using padlocks: Be aware of possible risk of suffocation, avoid risk of injury due to improper use, keep keys safe.
- Close the doors of the clothes locker properly to avoid the risk of crushing and carry out regular inspections of the door and lock for safety.
- Regularly check for damage and inspect hinges and locks to minimise security risks.
- Avoid overloading the wardrobe to prevent structural damage and ensure correct use of the clothes rail and hooks.
- Small parts and improperly fastened hooks can lead to the risk of suffocation; place out of reach of children.
- Follow the assembly instructions carefully when using the device for the first time to ensure safe use.
- Keep the clothes locker away from sources of fire to avoid the risk of fire.
