Safety Instructions:

- Ensure that the padlock or cylinder lock is handled securely to prevent crushing and unauthorised access.
- Avoid contact with sharp edges to prevent injuries.
- Make sure that the clothes locker is placed on a stable and level surface to prevent it from tipping over.
- The locker is intended exclusively for the storage of clothing, flammable materials are prohibited.
- Regularly check the stability and all parts of the locker to minimise the risk of falling and safety risks.
- Keep the clothes locker away from sources of water to prevent corrosion.
- Do not store extremely heavy objects so as not to overload the structure and hinges.
- Remove all packaging materials before use to avoid injury.
- The product is not suitable as a toy and should be kept away from children.
