### **Safety Instructions:**

- Make sure that the clothes locker is stable to prevent it from tipping over.
- Be aware of the risk of injury when lifting or moving the clothes horse.
- Do not load the clothes locker beyond its load limits to prevent it from tipping over or collapsing.
- Regularly check the functionality of rotary bolt locks and cylinder locks to prevent security problems.
- Keep keys out of the reach of children to prevent accidental opening.
- Ensure that doors cannot slam suddenly to prevent injuries.
- Only use the locks correctly to minimise the risk of injury when locking and unlocking.
- Avoid sharp edges to prevent cuts.
- Clean the ventilation louvres regularly to ensure optimum air circulation.
- Regularly check the functionality of hinges and locks.
- Choking hazard due to small parts, especially for children under 3 years of age.
- Make sure that no excessive loads are hanging from the clothes rails.
- Follow the assembly instructions to ensure the necessary stability.
- Do not store water or other liquids near the product to avoid damage.
- The product is intended for use by adults only to prevent misuse by children.
- Take care when opening and closing the doors to avoid crushing injuries.
